

Download the 2talk App

Santiago Garcia - 2024-04-12 - 2talk Softphone

Download the 2talk App

With 2talk App you can take your numbers everywhere to make and receive calls.

Download the 2talk App on your phone, available for iOS (supported version 13 or higher) and Android (supported version 7.1 or higher).

Quick Guide on Apple:

1. Go to Apple Store.
2. Search 2talk.
3. Tap on "Install".
4. Confirm Apple ID password.
5. Open 2talk when the download is completed.

Quick Guide on Android:

1. Go to Play Store.
2. Search 2talk.
3. Tap on "Install".
4. Confirm Google Play password.
5. Open 2talk when the download is completed.
