Uploading VM recording - Delete Me

Santiago Garcia - 2024-07-24 - Voicemail

Uploading VM recording

For higher quality recordings for Voicemail UNAVAILABLE or BUSY, you can upload your MP3 recordings.

NOTE: We have a maximum file size of 400kb per VoiceMail. For larger voicemails, we recommend dropping the recording rate to 256kb (any reduction in quality will be indecipherable to the incoming callers).
