Login and set up your number

Santiago Garcia - 2024-04-12 - 2talk Softphone

Login and set up your number

Once you download the 2talk App, you can log into the App.

Log into your 2talk online account to get your number and password.

Quick Guide for logging in:

1. Login to your account.
2. Go to the Switchboard.
3. Select the desired Number >
4. Under Profile tab go to Number Settings >
5. Turn on Restricted
6. Add Password > Save

Quick Guide for logging into your App:

1. Open the 2talk App on your cellphone.
2. Fill in your number.
3. Fill in your password.
4. Tap Login.
