

Overseas call block

Santiago Garcia - 2024-04-08 - Outbound

Overseas call block

Block overseas calling with this simple feature, or alternately restrict the number of calls per hour.

Also use the [PIN code](#) feature to restrict outbound calling, including overseas calling, to those with the PIN code.

1. Log into your account.
2. Select **Switchboard** > Outbound > Overseas call block
3. Click **Save** to update settings.
